SCIATIC RHEUMATISM CURED AFTER 14 YEARS OF SUFFERING

"I have been afflicted with sciatic rheumatism for 14 years," says Josh Edgar, of Germantown, Cal. "I was able to be around but constantly suffered. I tried everything I could hear of and at last was told to try Chamberlain's Pain Balm, which I did and was immediately relieved and in a short time cured, and I am happy to say it has not since returned." Why not use this liniment and get well? It is for sale by Craig & Hocker, Druggists.

"Bro. Barnes" Converted Again

Letter to Mrs. W. C. Walsh.

ZION HOME, 254 MICHIGAN AVE., CHICAGO, April 21st, 1902—Dear Sister: I have been in quarantine for nearly a month on account of small pox. If you take the leaves, you have had a full account of the mishaps; but you didn't know that your Bro. Barnes had been caught. Beyond the loss of liberty we have suffered no inconvenience whatever. Our meals are served with regularity and in abundance. Our mails are delivered regularly and our company is congenial and cheerful all along the line.

It has been a period of great spiritual blessing to me and I hope to come out better equipped for preaching the gospel of G. I. L. A. N. E. than ever before. I have had a third conversion this month, and strange to say, in Chicago, the wickedest city on the continent perhaps, where on the 25th of August, 1874, I got at a holiness meeting, out this avenue, that spiritual impetus that sent me to the evangelistic work in the mountains of Kentucky and eventually around the world with the glad tidings of G. I. L. A. N. E.

That was my second conversion. The first was in 1841 in Dayton, Ohio, when I passed from darkness to light and from the devil to God.

And now this third uplifting occurred in a very strange way. I was going over the American edition of God's Love Story, which is a dread book of stenographic blundering and careless publishing—trying to make it more readable for a friend, to whom I was going to present it, when I was painfully impressed with the difference in spiritual life and fervor that shone through all his blundering, contrasted with my present cold and lifeless condition. This led me to heart-searching and a settlement of accounts with my God and Savior and I didn't rest until arrears were thoroughly cleared off and I had something, at least, of the spirit of '76 back into my inmost being. And I feel now that a new era has begun and I am as thoroughly consecrated and surrendered to the Lord and His service as one that never to be forgotten date of August 25th, '76, when I was ready to go any where and do any thing for Him.

Tomorrow (April 22) is my 55th birthday. Of course the time is short, but I feel in my heart of hearts that the good Lord has yet blessed work for me to do and that by His grace my last days will be my best days, and that I shall bear fruit even in old age. I have no plans. Don't want to have any. To carry out the Master's plans as he makes them known shall be enough for me. Give me your prayers, my faithful sister, that I may hold on steadfast to the end. That can't be far off, whether the Savior comes for those counted worthy, or for that individual dissolution (2nd Cor. 5:1) What horrors hang round the word. But to escape death by the dearest process of dissolution and being clothed upon with that house which is from Heaven.

Your letter with kind enclosure came via Washington. Don't be afraid of infection from this letter. It is soaked in a disinfectant whose fumes are death to germs, "formal." I think they call it. I shall be here some weeks yet, D. V. If all goes well we get out on Friday. Ever affectionately, YOUR "BRO. BARNES."

SPRING AILMENTS.

There is an aching and tired feeling; the liver, bowels and kidneys become sluggish and inactive, the digestion impaired, with little or no appetite, no ambition for anything and a feeling that the whole body and mind needs toning up. The trouble is that during winter there has been an accumulation of waste matter in the system. Herbine will remove it, secure to the secretions a right exit and by its tonic effect, fully restore the wasted tissues and give strength in place of weakness. 50c. Penny's Drug Store.

The court of appeals in a case that came up before it from Kenton county, held unconstitutional the legislative acts of 1894 and 1898, which provides that part of the taxes levied for schools in cities of the second class can be used for public libraries. Judge Duffell, who delivered the opinion, held that such moneys could be used for libraries which were part of the public school system.

WORLD WIDE REPUTATION.

White's Cream Vermifuge has achieved a world wide reputation as being the best of all worm destroyers, and for its tonic influence on weak and unthrifty children, as it neutralizes the acidity or sourness of the stomach, improves their digestion and assimilation of food, strengthens their nervous system and restores them to the health, vigor and elasticity of spirits natural to childhood. 25c at Penny's Drug Store.

The Virginia "Jim Crow" car law is now being enforced on the Washington and Mt. Vernon railway for the first time, although the statute has been in effect for two years.

During the past Winter Mrs. R. Sutherland, of Nicholasville, has been nonplused by the mysterious disappearance of paper money from her cash drawer. As she opened the drawer to make change yesterday a mouse sprang out. A search was instituted and under the counter was found a nest lined with greenbacks. Mrs. Sutherland says that her loss from this source is in all probability \$200. Only a small amount can be redeemed.

PINK LEMONADE AND PEANUTS.

The Great Sells-Downs Shows Coming Here Soon.

The small boy hath a heart, and it now is glad. The peanut market has been cornered and the pink has been made for the lemonade. Sawdust will be trampled on and the city and county will soon be show crazy. Sells & Downs generally wake things up. Failure is unknown to them, they are born showmen. An unprecedented record of success is the story of this show from the day of its inception. The features of the performance proper are too numerous to mention, one alone, Prof. Berris and his 65 superb equines furnishing an act worth the price of admission itself. Another, the great Cycle Wheel, with the original European and American bicyclists on the miniature Madison Square Garden race track, and Miss Edna, the only living lady equestrian who successfully accomplishes the great feat for a woman of turning somersaults on the back of a swiftly running horse at every performance. These three features alone are a whole show in themselves and when the balance of the program is thrown in one can truthfully say the Sells-Downs Show is indeed the best on earth. The date in Stanford is May 12.

FOR THOSE WHO LIVE ON FARMS.

Dr. Bergin, Pana, Ill., writes: "I have used Ballard's Snow Liniment, always recommend it to my friends, as I am confident there is no better made. It is a dandy for burns." Those who live on farms are especially liable to many accidental cuts, burns and bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency. 25c, 50c and \$1. At Penny's Drug Store.

WHOOPIING COUGH.

A woman who has had experience with this disease, tells how to prevent any dangerous consequence from it. She says: Our three children took whooping cough last Summer, our baby boy being only three months old, and owing to our giving them Chamberlain's Cough Remedy, they lost none of their plumpness and came out in much better health than other children whose parents did not use this remedy. Our oldest little girl would call lustily for cough syrup between whoops. —JESSIE PINKNEY HALL, Springfield, Ala. This remedy is for sale by Craig & Hocker, Druggists.

THE INTERIOR JOURNAL

E. C. WALTON.

W. P. WALTON.

Is a Candidate for Railroad Commissioner for the 24 District, subject to the will of the democracy.

H. H. HENNINGER,

Of Wayne County, is a candidate for State Treasurer, subject to the action of the Democratic party.

WHEN a bill was presented in the late Legislature to do away with party emblems on the ballot, the republican papers raised a howl, because they claimed that it would impress an educational qualification contrary to the constitution. A test of their sincerity in the matter is now being made. Senator Ed Parker, who wants to succeed Boreing in Congress from the Eleventh district, applied to the committee to let his name go on the ballot under the picture of a barefoot boy, but it refused to permit emblems on the ballot. Senator Parker has appealed to the State committee and it will be interesting to note whether it will adopt the educational qualification members of the party kicked so high about. In the Eleventh district a device is almost absolutely necessary, as by it a great many are enabled to vote as they wish, and if Senator Parker's appeal is denied it will be proof again that the republicans are not sincere and that they gauge their assertions and acts to suit the occasion.

IN withdrawing from the race for the democratic nomination for Congress in this district, Hon. Lillard Carter, of Lawrenceburg, leaves the following card: "Unforeseen business connections and other matters of grave private import have led me to reluctantly conclude to withdraw from the race for the Congressional nomination. This conclusion has been reached not because I think that I should have been defeated, for my prospects seemed exceptionally good to me. Strong men in most of the counties of the district have promised and given me warm and manly support. This leaves only two candidates in the field, and a majority of the party can now name the nominee—a thing much to be desired. I am deeply grateful to my many friends for their ardent and sincere support." This narrows the race down to Hon. R. C. Warren and the present incumbent, with the chances greatly in favor of the Lincoln county entry.

HON. DAVID H. SMITH, of the Fourth district, seems to have a pretty firm grip on the people of his bailiwick. He was declared the democratic nominee to succeed himself in Congress and a nomination by that party in the Fourth is equivalent to election. David isn't pretty, but he is smart, is little but loud and usually gets what he goes after, except when he went up against Gov. McCreary for the United States Senate.

FAITH may cure the hysterics and other similar diseases, but you want to send for a doctor when any serious trouble arises. The second Elijah, otherwise Dowle, of Chicago, professes to be the chief of faith curists, but he couldn't tackle the small-pox. He applied at once for vaccine points.

LEXINGTON is getting ready to royally entertain Booker Washington when he lectures there in June. For men worshipping, in deed and in truth, Lexington people take the cake. And color cuts no figure either.

POLITICAL.

H. Clay Evans was appointed consul general at London.

Sixth district democrats want a primary to name a Congressional candidate.

Col. D. G. Colson opened his campaign for Congress at McKee, Jackson county, yesterday.

The Mississippi Teachers' Association adopted a resolution prohibiting the use of any history in the State which does not credit Admiral Schley with the victory at Santiago.

Judge W. E. Settle declined to accept a committee nomination for appellate judge, and the democratic mass-meetings and district convention will be held as originally ordered.

H. A. Barrows, disbursing clerk in the census office at Washington, has been removed because of a shortage in his accounts. He will be succeeded in office by John W. Langley, of Kentucky.

Congressman Amos J. Cummins died in Baltimore from pneumonia, incident to an operation. Mr. Cummins had a varied experience as typesetter, soldier and editor, and was serving his eighth term in Congress.

Elkin wins Lexington postoffice. Frank P. Sargeant was appointed commissioner of Immigration to succeed Terrence V. Powderly.

Havemeyer, before the Senate committee, said the Cubans will get the benefit of proposed tariff reductions.

H. G. Squiers, secretary of legation at Pekin, will be the new Minister to Cuba, and Gen. E. S. Bragg, of Wisconsin, Consul General at Havana.

The Senate committee on the Philippines reversed itself again as to the summoning of Maj. Gardener and determined not to ask the secretary of war to recall him from Manila before the return of his regiment.

The democratic committee of the 14th judicial district has ordered a primary to be held August 5. The limit for entries is July 21. It is not probable there will be any opposition to Judge Cantrill and Commonwealth's Attorney Franklin.

Senator McLaurin has issued an address to the people of South Carolina defending his course as a member of the United States Senate. He announced that he will not submit his claims to the proposed democratic primary and argues that it be ignored.

The Lexington Democrat throws this bouquet to a worthy gentleman: It is said that Gov. Beckham will soon announce his candidacy to succeed himself as governor. Such announcement would delight an army of friends, for no man has grown more rapidly in the love and favor of the people than J. Cripps Wickliffe Beckham. The best lawyers say his eligibility can not be gainsaid.

In an editorial on the Philippine situation the New York World makes this startling statement: "It is not exaggeration to say that we have killed more of the natives in three years than the Spaniards had killed in 30, and have practiced cruelties that have never before disgraced our warfare." And it would perhaps have never been known had not Gen. Miles let the cat out of the bag. The administration at Washington sanctioned the butcheries, too, and will be held responsible for them.

In a recent article a prominent physician says, "It is next to impossible for the physician to get his patients to carry out any prescribed course of hygiene or diet to the smallest extent; he has but one resort left, namely, the drug treatment." When medicines are used for chronic constipation, the most mild and gentle obtainable, such as Chamberlain's Stomach & Liver Tablets, should be employed. CRAB ORCHARD.

Guests are coming into Crab Orchard Springs.

Mrs. Annie Haldeman and children, of Louisville, are visiting Mrs. Jane Buchanan. Adam Richert has returned from his winter sojourn in Florida, much improved in health. Mr. and Mrs. J. B. Willis have gone to Richmond for a brief visit.

All nature is one continued bower of beauty and loveliness and every one is taking advantage of the fine weather. Farmers are about through corn planting, most of them putting in a large acreage. Gardens are generally looking well and are beginning to yield a supply of early vegetables for the table, for which the housewives are especially grateful.

Andrew W. Buchanan went to Louisville Saturday to take in the Derby. Mrs. J. F. Holdam and Misses Bert James and Ida Holdam made a delightful trip to Danville. Mrs. M. E. Fish is visiting her daughter, Mrs. Sallie Rineheart, at Livingston. Mr. R. Collier, of Lancaster, was a pleasant guest Sunday of W. A. Beazley and family. Joe Payne is home on a sick furlough from Harrison, Tenn.

Who will say Crab Orchard is not coming to the front? She heads the list of fairs in the State, her fair being appointed for the 23, 24 and 25th of July. We are promised a grand street parade in the near future from the agents of the Deering Reaper Machines. This will be unique in character and a thing of beauty, as there will be a whole car unloaded here at the same time, and the 35 machines will take up a line of march to a selected grove where a well prepared menu will be served in handsome style. We are also to have a night agent and operator at the depot. All this, with our prospective oil boom, together with the natural advantages of our location as a famous health resort, our obliging merchants, with their well filled stores, and first-class hotels, with accommodating landlords who hug their guests in and kiss them out, together with public and private schools, with church facilities, makes Crab Orchard already in front, and if persons from a distance desire to learn the location, we can be found nestled in the foot-hills of the Cumberland, only a few miles South of the villages of Stanford and Danville and we one day hope to include these in our suburban traction enterprise and rural free delivery, as we are always ready to extend a helping hand to the worthy aspirant, whether in country or village.

Galton is a great show horse, as has been tested in the show rings. His colts have been shown three years in succession at Hustonville, Danville, Springfield and other fairs and have won the largest premiums for harness classes over all others. He has proven a great cross on saddle mares as he gives his colts finish, action and step, and they are selling for the highest prices. Galton will serve mares at my stable two miles west of Hustonville, at \$10 TO INSURE A LIVING COLT. Will keep mares on grass at \$2 per month after May 1.

DYE is the name of a new postoffice midway between Yosemite and Liberty on the Middleburg pike. George Davis is the postmaster.

THE Central Oil, Gas & Mining Co. has ordered pumps and tanks and will begin pumping the Baughman well as soon as they arrive.

THE Grand Leader spreads itself this issue. Read its "ad." on our second page and it will be time well spent.

THE 47th annual meeting of the Kentucky State Medical Society will be held at Paducah May 7, 8 and 9. Dr. Steele Halley, the efficient secretary, left this morning to be present at the opening.

SHELTON.—The wife of Dr. William Shelton died at Nashville Friday night after a protracted illness. She was about 60 years old and a most excellent lady. Dr. Shelton went to her bedside some months ago.

OIL AT C O.—Mr. Charles Redd, of Crab Orchard, who was here Saturday, told us that oil was so close to the surface around the East End capital that Joseph Pleasants struck a good flow while digging a post hole.

THE driller for the Hutchins Oil & Gas Co., Mr. Henderson, writes Hou. Harvey Helm that he has gotten his machinery straightened out and that prospects are flattering for a good flow of oil. Work is going on day and night now.

MR. JOHN H. MERRISON, who is a jack of all trades and good at all, has added to the Beazley stable shop machinery by which he can put rubber tires on vehicles as well as as cheaply as any house in the country. A sample shown us Saturday is proof that he knows his business.

SOLD OUT.—R. B. Wilkinson, who bought of O. P. Huffman his butcher shop here a few months ago, sold it back to him yesterday morning. Mr. E. L. Kelsch engineered the deal. It is generally hoped that Mr. Wilkinson will not leave Stanford, but will engage in other business here.

VALUABLE COW.—Squire James A. Dudderar has a valuable Jersey cow. Besides furnishing his family with milk and butter he sold \$50 worth of milk from her in nine months. The squire is very proud of this valuable piece of property and cares for her better than some people do their children.

Walton and will get possession at once. Mr. Hardin will continue the hotel business, but he and his wife will occupy their home as soon as they get "fixed up" for housekeeping.

THE Kentucky tobacco crop of 1901, according to figures compiled by Agricultural Commissioner Nail from the reports of county assessors, amounted to 187,825,021 pounds. Of this Lincoln county is credited with only 101,450 pounds. Daviess, with 12,371,020 pounds to her credit, is the largest tobacco county in the State and Bell, with only 15 pounds, is the smallest.

THE biggest sale Lincoln county has had for some time will occur Saturday next. W. H. and J. S. Murphy, executors of J. S. Murphy, Sr., will sell the splendid farm of 260 acres on the Hustonville pike, a 250-acre farm near Highland, a lot of knob land and the store-room in Stanford now occupied by John Wright, Jr., & Co. Read the advertisement elsewhere. Remember the date—next Saturday, May 10.

GOOD PROSPECTS.—A distance of about 500 feet has been reached in the second well on the Baughman farm, 600 feet from the producer, and there is every indication that oil will be found. The driller, Mr. John Keegan, says he will bet a handsome sum that a good flow will be found and other experienced oil men are equally as confident. The Stanford Oil & Development Co. will begin drilling this week. Their first well will be sunk about 350 yards from the Baughman Well No. 2. South Bros., of Glasgow, have the contract and their two machines are en route here.

CRAH ORCHARD SPRINGS.—Mr. J. B. Willis, the clever mine host of Crab Orchard Springs, is getting ready for the opening of his delightful Summer resort which will take place about a month hence. The buildings have all been repaired, paint and whitewash have been liberally used and the spacious grounds have been worked on until they are indeed "a thing of beauty." Rooms are already being engaged and the coming promises to be the biggest season in the last decade. Mr. Willis has a pasture full of bees and lambs, which by opening time will be "fat and fine." He is also engaging Spring chickens by the hundreds of dozens.

C. O. FAIR.—At a meeting of the stockholders of the Crab Orchard Fair Association, R. H. Bronaugh was elected president; Andrew W. Buchanan, secretary; W. D. Wallis, assistant secretary, and J. R. Edmiston, treasurer. John W. Holmes was chosen first vice president; W. A. Beazley, second vice president, and Dr. W. M. Doores, third vice president. The following directors were elected: R. H. Bronaugh, J. W. Guest, S. J. Tatem, A. C. Dunn, J. F. Holdam, J. B. Willis, J. M. Rothwell, W. D. Wallis, W. A. Beazley and J. H. Collier. July 23, 24 and 25 are the dates decided upon. Everything in the East End is working for and talking up the fair and everything points to a successful exhibition.

Mr. Ginsburg and family are clever people and we regret to have them leave Stanford.

THE semi-annual mass meeting of the county co-operation of the Christian churches of Lincoln county will be held at McCormack's church, Saturday, May 10th. There are 15 Christian churches in the county and they are all most cordially and urgently requested to send delegates to this meeting. The meeting will convene in the morning at 10 o'clock and continue till about 3 P. M. Dinner will be prepared by the congregation at McCormack's for all.

POWELL.—One of the saddest deaths we have had to chronicle in years is that of Miss Lee Powell, daughter of Mr. James W. Powell, of Hustonville. The young lady was barely 21 and gave promise of a long, useful life, but "He moves mysteriously" and early Saturday morning she was called to the land that is fairer than day. Miss Powell had not been in the best of health, but her death was very sudden, notwithstanding. She had gone to visit her sister, Mrs. J. D. Depp, at Middleburg, and while attending a school entertainment there Friday night she was taken ill. From that hour until death came she suffered intensely, but she bore it with wonderful fortitude. Miss Powell was a member of the Christian church at Hustonville and was one of the West End's best young women. She was the idol of her father, who since the death of his wife has been both father and mother, and was loved by all who knew her. Light-hearted, she saw the bright side of everything and few young ladies enjoyed life more than this one, who has been so suddenly taken away. She was the sunshine of a happy home, but with her gone the good father is left alone and his sorrow knows no bounds. God grant that he may be given power from above to stand his irreparable loss. After services at the grave at noon Sunday by Rev. G. W. Mills, all that was mortal of the excellent young lady was laid to rest in the Hustonville cemetery by the side of her mother, who had long since joined the silent majority.

MATRIMONIAL.

John Gray, a widower of 50, was married at Milwaukee to Miss Dora Hays, just 21.

Miss Josephine Holman, of Indiana, who was once engaged to marry Marconi, the inventor, will marry a Hungarian.

John Roberts, of Valley Pleasant, Mo., and Miss Rosa Bright, of St. Joseph, were married after a courtship of 50 years.

Miss Emma Ballou, one of Pulaski's most popular teachers and promising daughters, was married to E. P. Hatt, of Somerset. Wm. E. Singleton, of Eubanks, and Miss La Belle Taylor, of Burnside, were married by Rev. W. H. Applegate, at the Coyer Hotel.—Journal.

A Hopkinsville special says: A social event of note will be the marriage of Miss Carrie L. Rieke, daughter of W. H. Rieke, to James E. Cooper. The bride was formerly the wife of the intended groom and he secured a divorce. She subsequently married Mr. Gus Burnett, who obtained a divorce.

Reuben H. Givens, son of Mr. George Miller Givens, of the West End, was married in New Orleans last week to

TEARFUL OR CHEERFUL?

Whether a woman is tearful or cheerful depends not on what she has materially, but what she is physically. Many an indulgent husband is driven almost to despair by the tearful outburst of a wife who has "everything she wants." He wants to know what's the matter. But the wife can't tell. She only knows that she is depressed and despondent.

Such a condition is usually related to some form of womanly disease. The mental depression has its corresponding womanly weakness. Doctor Pierce's Favorite Prescription changes tearful women to cheerful women by curing the diseases which cause physical weakness and depression of spirits. It establishes regularity, dries unhealthy drams, heals inflammation and ulceration, and cures female weakness.

Mrs. Alice Adams, of Laboratory, Washington Co., Pa., says: "With many thanks I write to let you know how I am. I can say by God's help and your help I am well. I have taken six bottles of Dr. Pierce's Favorite Prescription and two of his 'Golden Medical Discovery' and I can do all my work. I can't praise your medicine too highly. I will recommend your medicine as long as I live. If any one doubts this give them my address."

"Favorite Prescription" makes weak women strong and sick women well. Accept no substitute for the medicine which works wonders for weak women.

Keep the bowels healthy by the timely use of Doctor Pierce's Pleasant Pellets.

Miss Amelia Campbell, of Bay St. Louis, La. The groom is a valued employee of the L. & N. and a fine young man, while his bride is said to be a beautiful girl, who is as bright as she is good looking. The L. J. extends the glad hands to the happy couple.

Horace Greeley Lutes, son of Mr. John Lutes, and Miss Neeley Myers, the pretty daughter of Mr. and Mrs. Josh H. Myers, of the Millersville section, were married at the bride's home Friday evening. After the ceremony the couple came to Mr. Lutes', where an enjoyable reception was given them. The groom is an industrious young West End farmer and the bride is one of the most popular young women of her section. The INTERIOR JOURNAL extends hearty congratulations to the happy couple and wishes them a long life of unalloyed happiness.

In the 24 years Dr. T. T. Eaton has been pastor of the Walnut Street church, Louisville, the membership has been increased from 573 to 1,691 and collections have aggregated \$625,047.74.

KING EAGLE.
King Eagle is 15 hands 3 inches high, dark bay, with flowing mane and tail, goes all the year, with plenty of speed, style and action. Sired by Royal King, first dam by Eagle Bird, 2d dam by Red Lion, 3d dam by Harris' Denmark, he by Miller Denmark, 4th dam Jia Heli, thoroughbred.
Note—Royal King was sired by the great Old Time. He is a full brother to the great Silver King and Alie, the great show mare that sold for \$10,000. King Eagle's 2d dam is the dam of Minnie Lloyd, the great show mare that Matt' Allen won everywhere with in 1898 and sold for \$500. King Eagle will make the season at my stable 2 1/2 miles west of Stanford on the Shelby City pike, at the low price of \$10 to insure a living colt.
Will also stand the noted mule and Jennett Jack, **BILLY KEENE**, at \$5 for mares and \$15 for Jennetts to insure a living colt. Billy Keene was sired by the great Tom Keene. First dam by surprise, he by the imported Palermo, 2d dam by Levi Hubble's Prince, the sire of Joe Blackburn and Bignolia. Billy Keene stands 16 hands high, black w/ 15 white points, and as a breeder, he is unsurpassed as a mule or Jennett Jack. His colts will show for themselves.
Will also let that great 3-year-old Jack, **JIM KEENE**, serve about 20 mares at \$4 to insure a living colt. Jim Keene stands 15 hands and 10 inches high, black with white points. He was sired by the great Billy Keene.
Mares traded, parted with or bred elsewhere for full insurance and money because due at the time of such transaction. For further particulars, address
S. T. HARRIS, Stanford, Ky.

DIGNITY DARE.
Description.—Foaled 1895, 15 hands 3 1/2 inches high, weighs in good flesh, 1,200 pounds; mahogany bay, with black points; a model in form with that wonderful style characteristic of the Chester Dare family so universally acknowledged as superior to all. As a show horse he has made good record, winning in his class and sweepstakes many blue ribbons. In his 3-year-old form won 13 blue ribbons out of 14 shows at Central Kentucky. In harness he is very stylish, well gaited, with pure-decked action and steps a clip few saddle horses can show, making him a harness horse of the highest type. Under saddle he is attractive, bold, with best of fine action, speedily separating his gaites perfectly. With knee action necessary for an up-to-date slave. His colts, though young, are coming to the front and fast ranking him one of the best of breeders, which class bring sensational prices. His colts are large, rangy, with long, well-set neck, fine backs, broad, flat bone, with great action and best of colors. I respectfully invite you to call and inspect them before looking your mares.
PENGREE.—Sired by famous Chester Dare, No. 10, A. S. H. R., he by Black Squirrel, 2d, he by Black Eagle, 3d, he by King William, 4th, he by Washington Denmark, 5th, he by Gaines' Denmark, 6th, he by race horse Denmark P. S., he by imported Hedgeford; 1st dam Lizzie by Welchmont, No. 6367, A. S. H. R., he by William Welch, 341, he by Lysicles Hamblinton, 1st, 2d dam by Gills' Vermont, 4th dam Thoroughbred, Welchmont's 1st dam Pauline by Almont Forest, 2893.
Will make the season 1902 at Lawn Mere Stock Farm, 2 1/2 miles West of Hustonville, Ky., on Bradfordville & Hustonville pike, near Carpenter's Station, at \$20 to insure a living colt, or 5 or more mares. Mares traded or parted with forfeits insurance and money becomes due at time of such transaction. Lenz retained upon all colts till season money is paid. Mares from a distance grazed \$2 per month. Grain fed, if desired, at reasonable rates. All bills must be paid before removal of mares. Mares entrusted will receive my personal attention, but will not be responsible for accidents or escapes.

McCarty and after taking it a part, proceeded to dispose of it to an old-iron man, when Mr. McCarty discovered his loss and claimed his property. Upon being admonished the boy replied that he "didn't think it was of any account." Mr. McCarty, however, did not think that was a valid excuse.

CURES WHEN DOCTORS FAIL.

Mrs. Frank Chlason, Patterson, La., writes June 8, 1901: "I had malaria fever in very bad form, was under treatment by doctors, but as soon as I stopped taking their medicine the fever would return again. I used a sample bottle of Herbine, found it helped me. Then bought two bottles, which completely cured me. I feel grateful to you for furnishing such a splendid medicine and can honestly recommend it to those suffering from malaria, as it will surely cure them." Herbine, 50c bottle at Penny's Drug Store.

TIMBER LAND FOR SALE.

In order to settle the partnership business of John Honta, Jr., and J. C. Goulter, Mr. Honta having died last December, we will sell 2,700 acres of timberland in Adams county, Ky. This land contains between 4,000,000 and 5,000,000 feet of Poplar, Oak, Walnut, Chestnut and Hickory timber. This tract of land is close to the famous oil fields of Wayne county and is exceedingly well adapted for agricultural purposes. All of the land is in one body and it is a bargain for some one. For particulars apply to J. C. Goulter, Lexington, Ky. Or to E. M. Harlin, Harrodsburg, or Oscar Honta, Hankook, Ky.

Eagle Bird,

The mighty son of the great King Eagle.

Eagle Bird as a show stallion has but few equals. He won the \$500 stake at Lexington, Ky., defeating some of the greatest horses that Kentucky has ever produced. Eagle Bird, as a sire of good colored, high finished horses, is not surpassed. His colts are in demand and are selling for high prices, either for business or breeding purposes. Will make the present season at the stable of his owners, 2 miles west of Stanford on the Shelby City pike at the low price of
\$10 to insure a living colt.
Parting with the mare forfeits the insurance.

Also at the same place we will stand the fine mule Jack.

BLACK HAWK, JR.,

Will make the season at my farm 1 mile south-west of McKinney at the low price of \$4 to insure a living colt. Black Hawk is nearly 16 hands high, black with mostly nose, from bone and muscle, a sure foot getter. Several of his colts have come and are showing up fine. He is one of the best bred jacks in the State as the following pedigree will show. He was sired by Col. Hill Breckinridge, he by Cleveland, a Jack 17 hands, he by Big Tom, he by Cossey McGarrick, imported Jack. Black Hawk's dam was by Frank Mack, 2d dam a Mugi jennet, sired by Compropane, he by Tippecanoe, he by old Black Hawk.

Will also stand my fine combined stallion at the same place and on same terms, \$5 to insure a living colt. Royal Denmark is 16 hands high, beautiful bay, 3 years old, sired by Black Dare, he by Stone-wall, Jr., he by old Storewall, he by Washington Denmark. Royal Denmark's first dam by Ecori, registered, second dam by Levine, registered. 3rd dam by old imported Pointer, 4th dam by old Compropane, registered. Blue Eyes. Modern Drug Dealing.

The elements that enter into perfect drug service are, we believe, these: Competency, quality, courteousness and a fair profit policy. We endeavor to give all these the fullest expression.
